I have been provided with the requested information by the Chief Financial Officer (CFO) of the Department and following the tabling of the information, no statement appear to be necessary.

The information supplied by the CFO is as follows:

1. The service providers for the specified goods are as follows:

2. There were no deviations from standard supply chain management procedures. The procurement for PPE was done in line with the initial

Instruction Note from NT in which NT identified and provided a list of suppliers on which the State could urgently procure PPE from identified suppliers.

3. Procurement was assessed and awarded in line with National Treasury prescripts for procurement as per the Health and Safety guidelines issued by the Department of Public Service and Administration due to the Covid-19 pandemic.
