I have been advised by the Director General, following consultation with the SEZ concerned, of the following:

- (2) There is no standing or direct relationship between the Musina-Makhado SEZ and MC Mining, who is not an investor in the Zone.
- (3) The titles of the 6 (six) working groups are:
 1. Governance
 2. Infrastructure
 3. Environmental Management
 4. Investments
 5. Town Planning
 6. Skills & Enterprise Development"

In addition to the above information, the honourable Member may wish to follow up further queries with the Province or SEZ concerned.
