INTERPRETATION NOTE 01/2014 ON THE IMPLEMENTATION DATE OF THE REVISED AUTOMOTIVE INVESTMENT SCHEME (AIS) GUIDELINES

This interpretation note serves to address the implementation date of the revised AIS guidelines, paragraph 3.10, of March 2014, which reads as follows: “The effective date of these guidelines is 1 April 2014.”

The revised guidelines indicate that the effective date is 1 April 2014, but were published officially on 2 July 2014 and will therefore be implemented from the date of publication. Applications adjudicated after 2 July 2014 will be done so in terms of the revised guidelines. Approved applications adjudicated on 9 July 2014 by the AIS Adjudication Committee were based on the old AIS guidelines, but will be revised by the Secretariat in line with the revised AIS guidelines.
