# Enhancing the Profile of the entity

- Improve *ICT delivery systems* to increase accessibility & improve turnaround times
- Widely *publish findings of cases* & increase referrals of contraventions for prosecution
- Implement the approved *Communication Strategy* to reach more beneficiaries, especially in rural and underdeveloped areas
- Launch a more *interactive website & enhance online accessibility* through emails, please call me, sms, WhatsApp and social media for responsive action
- Increase *awareness campaigns* through annual conference, training sessions and other outreaches provincially
- Increase *collaboration with strategic partners* as well as organised structures in business, labour and civil society to increase impact
- Conduct immediate *site visits on tipoffs* for quicker redress, especially for workers
- Publish *packaged messages* for business & investors and step by step guides, continue giving prompt advice and assistance

# Proposed Agenda for the New Administration

- Immediately allocate adequate resources and show visible support for the regulator to be effective and independent in its operation
- Pronounce B-BBEE as a priority and adopt consistent messaging of its importance in achieving economic inclusivity locally and abroad
- Directing DPME to ensure compliance with B-BBEE by all government and introduce serious consequences for non-compliant HODs
- Effect changes to the Codes of Good Practice to pool all ESD, Skills and Socio-Economic B-BBEE funds for better impact as an option
- Conclude Service Level Agreement and Shareholders' Compact for effective cooperation between line department and the regulator
- Process immediate amendments to the B-BBEE Act to address issues of constrained enforcement raised, including specialised Tribunal and compliance notices
- Address market access issues and funding for black people
