INVESTMENT SOUTH AFRICA

- Investment South Africa (InvestSA) was formally established on 1 April 2016 as the National Investment Agency of Government.
- Approval was granted by National Treasury under Vote 34 as Programme 8 within the dti structure to support foreign direct investment flows, promote domestic investment and to establish a one-stop shop service to perform investment promotion, investor facilitation and aftercare support to investors.
- In March 2017, InvestSA launched its **National One Stop Shop** (in Pretoria) which was followed by the launch of three (3) Provincial One Stop Shops during 2017/2018 (i.e KZN, Gauteng and Western Cape).
- Since establishment InvestSA has made strides towards attracting and facilitating large scale investments, and has since been the focal point and conduit for domestic and foreign direct investments for South Africa.
- InvestSA has gained global recognition and has received numerous global accolades in efforts to promote investment attraction in the country.

CORE FUNCTIONS

Investment Promotion

Facilitates an increase in the quality and quantity of foreign direct investment, and domestic and outward investment, by providing targeted lead generation investment attraction, and e-recruitment support.

Investment Facilitation (InvestSA One Stop Shop)

Promotes and facilitates investment, and provides support services to the One Stop Shops. This sub-programme also provides a specialist advisory service, fast tracks and unblocks processes and reduces red tape for investors.

Investment Support and Aftercare

Provides specialist advisory services through research, information, marketing, aftercare and policy advocacy to facilitate new investment, and retain and expand existing investment.

STRATEGIC OBJECTIVES

- **Investment South Africa**, focusses on investment promotion, investment facilitation and aftercare and is the focal point in achieving the Presidential Investment mobilisation drive to attract \$100 billion over the next 5 years.
- Investment South Africa facilitates thorough the One Stop Shop (OSS), intergovernmental coordination, fast tracking and unblocking red tape in government.
- Investment South Africa undertakes investment marketing in priority markets and promotes South Africa as an attractive investment destination for the development of an annual pipeline of investment projects.
- Investment South Africa overall coordinates the Investment Climate Reform Program to improve South Africa's Ease of Doing Business and Competitiveness.
- Investment South Africa provides support to the Presidential Envoys and for the Presidential Investment Conference.
- Investment South Africa is the Secretariat for the Presidential Investment Council.

INVESTSA SERVICE OFFERING

Investment South Africa provides the following services to investors:

Investment Information **Aftercare Services** Advice on recruitment, talent & skills Economic Environment > Regulatory Environment Advice on lifestyle amenities e.g location of housing, ➤ Legal Environment & Compliance schools, etc. Policy Advocacy > Industrial Development & Financial Support Investor Surveys > Investment Guides **Business Forums and Investment Roundtables** Retention & Expansion Services **Investment Facilitation** > Inter-governmental coordination and facilitation Licencing, company registrations and work permits Municipal facilitation Incentives facilitation Location analysis and facilitation > Critical infrastructure and utilities Broad Based Black Economic Empowerment (BBBEE) Facilitation **One Stop** Mediation and Arbitration Shop > Introduction to financial institutions and fundingopportunities Priority sectors, designation and localisation Contribution > Site visits and Business to Business Programs > Partnerships with Stakeholders Company verifications > Enterprise and supplier development > Introduction to raw materials suppliers > Advice and customs clearing > Investment promotion and international investment missions

> Facilitation by the dti representatives abroad

KEY TARGETS

- To make InvestSA a top five world class investment promotion agency
- To intensify the President's investment drive to attract over \$100 billion over the next 5 years.
- Targeted and coordinated investment drive amongst all stakeholders.
- Diversify and increase investment flows from emerging markets. Retain and expand investment flows from developed markets.
- Reduce the cost of doing business and administrative barriers. Improve SA's investment climate, investment attraction and rankings.

- Biochemical
- Defence industries

- President Cyril Ramaphosa, in his SONA, 2019, committed to move South Africa to 50th position on the World Bank Survey on the Ease of Doing Business over the next 3 years.
- In the last 10 years South Africa's ranking declined by 50 places and is currently ranked at 82. In 2006 SA was ranked in the top 30.
- In March 2019 **the dti** signed an Advisory Agreement with the International Finance Corporation (World Bank Group) to formalize the work pertaining to the Investment Climate Reform Programme (ICRP).
- The work of the ICRP seeks to streamline processes and create efficiencies and improve on the overall customer experience that will improve South Africa's ranking on the World Bank's annual "Ease of Doing Business Survey" and move South Africa's ranking from 82 to 50 over the next three years.
- Improving South Africa's Doing Business performance is key to strengthening the country's investment performance, as annual Doing Business results are used to position and market investment attractiveness to potential investors.

- Five (5) "Technical Working Groups" have been established of the 10 Ease of Doing Business Indicators.
- The Technical Working Groups consists of lead Government Departments / Agencies and Industry Associations in the respective fields.
- The investment climate reform Task Team reports on overall progress to Cabinet on a regular basis.

SA's RANKINGS ON EASE OF DOING BUSINESS INDICATORS

Indicator(s)	2017		2018		2019	
	DB Ranking	DTF	DB Ranking	DTF	DB Ranking	DTF
	(1-190)	(0-100)	82		82	
	74					
1. Starting a Business	131	80.47	136	79.97	134	81.22
2. Paying Taxes	51	81.09	46	80.02	46	81.13
3. Registering Property	105	59.03	107	58.43	106	59.32
4. Trading Across Borders	139	58.01	147	58.01	143	59.64
5. Dealing with Construction Permits	99	68.21	94	67.53	96	68.25
6. Resolving Insolvency	50	57.94	55	57.59	66	54.49
7. Getting Electricity	111	60.18	112	63.21	109	68.79
8. Protecting Minority Investors	22	70.00	24	70.00	23	73.33
9. Getting Credit	62	60.00	68	60.00	73	60.00
10. Enforcing Contracts	113	54.10	115	54.10	115	54.10

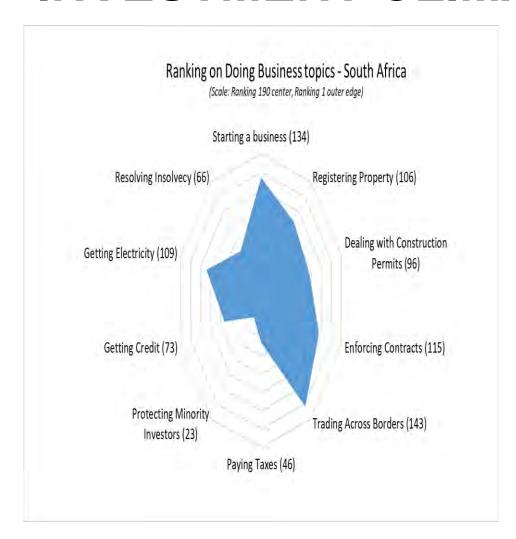

The table indicates SA's declining ranking per indicator for 2017 and 2018

This diagram indicates SA's performance on each indicator. The worst performing indicators are Getting electricity, registering a property, trading across borders, enforcing contracts.

National Treasury is undertaking a parallel process working at the subnational level with cities and provinces to improve on these indicators.

While South Africa is among the top performing economy in sub- Saharan Africa, SA is quickly being outranked by its sub-Saharan counterparts and globally SA's ranking is declining steadily

APPLICABLE LEGISLATION

- ✓ Trade Marks Act, 1993 (Act no. 194 of 1993)

THE ONE STOP SHOP CONCEPT

- 1. Serve and accessible entry point for investors in need of regulatory compliance with laws and / or regulations at a national level;
- 2. Change regulator decision process (registration, licencing, permitting, land allocation or property registration) by increasing transparency, clarify regulations and improve the quality and timeframe of service;
- 3. Perform pre-and post investment screening for appropriate investors and investments into South Africa on a project by project basis;
- 4. Facilitate various incentives (tax, land, training, free zones, etc.);
- 5. Participate in the regulatory reform / roadmap process of South Africa;
- 6. Provide investment information (market data, costs, incentives, project approval, visits, local partners, etc.) to investors; and
- 7. Provide post approval services (permits, approvals, import equipment & raw materials, central bank profit repatriation, work permits, etc.) to the investor.

OPERATIONALISATION

KEY GOVERNMENT PARTNERS

The list of strategic national government departments:

- Minister of Trade and Industry & Competition

- ✓ Processed 91 visa applications through VfS Global based at the OSS
- √ Facilitated 10 labour related inquiries
- ✓ Hosted 21 inbound missions from various countries

OSS STAKEHOLDER SURVEYS

- Investment South Africa conducted a survey on the implementation of the One Stop Shop facilities amongst stakeholders in the Free State, Northern Cape, Limpopo, Eastern Cape and Mpumalanga provinces.
- The purpose of the survey was to determine the effectiveness and inclusivity of the current stakeholder engagement processes, InvestSA is undertaking this survey with the view of improving its overall support to province. The full report is available on request.

Province	InvestSA One Stop Shop Stakeholder Survey Responses							
	Eastern Cape	Limpopo	Mpumalanga	Northern Cape	Free State	Total # of respondents		
Total # of respondents per province	30	29	8	17	19	103		
Total of responses	15	7	3	8	3	36		

- The % completion of the survey stands at 35%
- Respondents agrees that the dti-InvestSA has provided enough support in the implementation of the One Stop Shop across all provinces
- In the Eastern Cape 20% of response revealed that stakeholders strongly agree that dti has provided enough support, over 53.3% of responses choosing agree, implying that less than 30%partially agree or disagree. In the Northern Cape 12.5% of responses show that stakeholder strongly agree and over 75% responses choosing agree, implying that less than 25% of the stakeholder either disagree or partially agree. In Limpopo responses revealed that over 14.3% strongly agree with statement and 14.3% agree with statement, also implying that over 71% of the stakeholders in Limpopo either partially agree or disagree. In Mpumalanga 33.3% of the responses show that the stakeholder strongly agrees with the statement and 66.3% agree with the statement, which happen to be a vice-versa for Free State.
