

# INVITATION

## Partnering in Business with Germany

The Department of Trade, Industry and Competition (**the dtic**), in partnership with the Federal Ministry for Economic Affairs and Climate Action (**BMWK**), invite applications for the *Partnering in Business with Germany (PG)* training programme from **7 - 24 September 2026** in Hamburg, Germany.

The programme is implemented by the Deutsche Gesellschaft für Internationale Zusammenarbeit (**GIZ**) and is designed for companies with a minimum turnover of R1m.

### The programme offers:

1. The opportunity to explore the German market.
2. Connections with German corporations.
3. Access to building long-term, sustainable business partnerships.

For more information, [Click here](#)
