COMMUNICATION TO THE FILM INDUSTRY REGARDING THE FILM AND TV INCENTIVE PROGRAMME

EFFECTIVE DATE: 30 JUNE 2025

1. PURPOSE

This Notice serves to inform the Film and Television industry on the current status of the Film and TV Programme

We appreciate your continued interest in the film incentive program. As you may be aware, current fiscal constraints have led to a slower processing timeline for applications. While the program remains open and active, we kindly remind producers that any investments made prior to receiving an official approval letter are undertaken at their own risk.

Please know that we remain deeply committed to supporting the screen industry. We are actively exploring a range of options to enhance support and are continuing to engage with industry associations to ensure a collaborative and sustainable approach moving forward.

Thank you for your patience and understanding as we work through this period.
