QUESTION FOR WRITTEN REPLY

QUESTION NO. 2012

Mr R W T Chance (DA) to ask the Minister of Trade, Industry and Competition:

- (1) Whether he will furnish Mr R W T Chance with a copy of the North Site Masterplan of the Musina-Makhado Special Economic Zone; if not, why not; if so, what are the relevant details;
- (2) what is the operational status of the Limpopo Eco-Industrial Park? NW2326E

REPLY

- (1) The Department will not be in a position to furnish the Member with the Master Plan as the Musina-Makhado Special Economic Zone (MMSEZ), North Site (Antonvilla), has not been formally Gazetted. The Limpopo Provincial Government indicated it will be submitting a request before the end of June 2025 to Gazette the North Site. This will allow the Department the opportunity to consider and consult on the submission, in line with section 23(6) of the Special Economic Zones Act, 2014, to ensure that all requirements, including a Master Plan for the SEZ are met.
- (2) According to the Department's knowledge, the Limpopo Eco-Industrial Park is a private initiative, driven by Eco-Industrial Solutions (Pty) Ltd. This initiative was, however, supported by the Office of the Premier and it is recommended the question be directed to the Limpopo Provincial Government.
