QUESTION FOR WRITTEN REPLY

QUESTION NO. 1530

Mr M M Mdluli (DA) to ask the Minister of Trade, Industry and Competition:

With reference to applications to the International Trade Administration Commission, what total the number of applications (a) have been filed for trade and trade remedies pertaining to anti-dumping, safeguarding and countervailing since 1 January 2021, (b) were (i) processed and (ii) declined in the specified period and (c) are still under consideration since 2021? NW1842E

Reply:

(a) ITAC has supplied Annex A, which summarises the trade remedy investigations undertaken by the Commission since 2021.

(b)(i) and (ii) Please see Annex A.

(c) ITAC also indicates that, because there is a statutory 18-month timeline for trade remedy investigations, it would not have any matters still under consideration from 2021.
