INDUSTRIAL DEVELOPMENT

SG1: Facilitate the transformation of the economy to promote industrial development, investment, competitiveness and employment creation

Agro-processing

- ❑ The Poultry Master Plan was launched at the Presidential Investment Conference in November 2019. Investment commitment by South African Poultry Association (SAPA) to the tune of R1.7 billion has been secured to invest in poultry productive capacity;
- ❑ A 62% bone-in chicken portions and 42% boneless portions import tariff was gazetted in March 2020 to curb poultry imports as per Master Plan agreement; and
- ❑ Cabinet endorsed the Biofuels Regulatory Framework which was subsequently gazetted in February 2020 and incorporates Sugarcane as a key feedstock. The Sugar industry has committed to a R1 billion five-year transformation plan, which is currently being implemented.

INDUSTRIAL DEVELOPMENT

SG1: Facilitate the transformation of the economy to promote industrial development, investment, competitiveness and employment creation

Agro-processing

- ❑ Makhamisa Foods which created a local sustainable value chain and through its 95% locally sourced raw materials, 90% of its plant machinery being locally sourced, to having a mandate to employ staff that is majority youth. Through this company, 26 direct jobs and 59 indirect jobs were created – with 80% of its workforce youth and 60% of its management being youth

INDUSTRIAL DEVELOPMENT

SG1: Facilitate the transformation of the economy to promote industrial development, investment, competitiveness and employment creation

Automotives

- ❑ The Automotive Industry Transformation Fund was officially announced in November 2019. The key aim of the fund is to seed, develop and grow black-owned companies within the automotive supply chain. It is expected to be fully operational from 2021; and
- ❑ Atlantis Foundries won the sustainability award for Greenfield investment at the Presidential 2019 Investment Conference.

INDUSTRIAL DEVELOPMENT

SG1: Facilitate the transformation of the economy to promote industrial development, investment, competitiveness and employment creation

Automotives

- ❑ Ford Motor Company of Southern Africa (FMCSA) expanded its Struandale engine plant in Port Elizabeth, Eastern Cape, as part of a R3-billion investment in its South African operations;
- ❑ Mercedes Benz invested R10 billion into an expansion of its East London plant. The upgrade extended the production space of the existing plant by up to two-thirds to produce the next generation of the C-Class and also manufacture the GLC SUV.

INDUSTRIAL DEVELOPMENT

SG1: Facilitate the transformation of the economy to promote industrial development, investment, competitiveness and employment creation

Plastics

- ❑ Volkswagen Group South Africa has invested R70,9 million towards the development of black-owned component suppliers and one of the funded companies produce plastic automotive components;
- ❑ A new High-Density Polyethylene (HDPE) fuel tank manufacturing production for Mercedes Benz has been secured to supply tanks for the W206 Model (new C-Class); and
- ❑ The facility is well-positioned to meet global stringent automotive standards and thereby replacing imports. Through this partnership, two distinct export opportunities have been created: Potential exports of the chemical input material HDPE and local produced fuel tanks.

INDUSTRIAL DEVELOPMENT

SG1: Facilitate the transformation of the economy to promote industrial development, investment, competitiveness and employment creation

Pharmaceuticals

- ❑ Biovac (local manufacturer of vaccines) was awarded 85% of Expanded Programme on Immunisation three year tender, a transversal health contract of Department of Health. This sustained the 318 specialised jobs in the manufacturing facility in Cape Town, preserved the technology transfer received from pharmaceutical multinational companies (Sanofi Pasteur and Pfizer) and maintained local production of vaccine; and
- ❑ In the transition of HIV treatment, local manufacturers were able to access technology to locally manufacture the new treatment called Tenofovir, Lamivudine, and Dolutegravir (TLD) and supply the health system. Less Active Pharmaceutical Ingredient (API) is needed for this treatment and therefore the cost of production should overtime be reduced.

INDUSTRIAL DEVELOPMENT

SG1: Facilitate the transformation of the economy to promote industrial development, investment, competitiveness and employment creation

Textiles, Clothing, Leather and Footwear

- ❑ The Retail - Clothing, Textile, Leather and Footwear Master Plan was launched at the Presidential Investment Conference with around R7 billion worth of investment committed to the industry;
- ❑ The first ever Cotton Indaba in South Africa took place in November 2019, presented by Cotton SA;
- ❑ Cotton SA launched their new green Cotton Mark – distinguishing South African produced cotton; and
- ❑ Mr Price retail committed another R30 Million to small-scale farmers and are already supporting 250 small-scale farmers to grow cotton.

Programme 4

- ❑ **Four designation requests prepared for Minister i.e.**
 - Plastic pipes and fittings products;
 - Bulk Materials Handling (Conveyor System Equipment).
 - Ester Oil; and
 - Instrument Transformers

Programme 6

- Value (Rand) of projected investments to be leveraged from projects/enterprises approved, R32, 208 billion;
- Projected number of new jobs supported from enterprises approved 18 242;
- Projected number of jobs retained from approved enterprises 24 247

LEGISLATION AND REGULATION

SG 4: Create a fair regulatory environment that enables investment, trade & enterprise development in an equitable & socially responsible manner

- ❑ Companies Amendment Bill 2018, is currently at National Economic Development and Labour Council (NEDLAC) and will be referred to Cabinet once the NEDLAC process concluded. Labour raised additional issues relating to giving labour more power to sit in the Boards and one of the Board Committee on Social and Ethics Committee; and
- ❑ The NEDLAC Secretariat through video conference meeting with all social partners adopted the draft NEDLAC report. However, the Bill still has to be signed off by the Conveners of NEDLAC for each constituency which had not happened by end of March 2020.
- ❑ Copyright Amendment Bill and Performers' Protection Amendment Bill were passed in the previous administration and are still waiting the President's signature;
- ❑ There has been several engagements from AGOA perspective concerning the Copyright Amendment Bill ; and
- ❑ International Intellectual Property Alliance (IIPA) participated at the public hearings in July 2019 and raised concerns such as South Africa is not aligned with International Intellectual Property (IP) obligations, it may hinder the market participation and the content of creators will be compromised

LEGISLATION AND REGULATION

SG 4: Create a fair regulatory environment that enables investment, trade & enterprise development in an equitable & socially responsible manner

- ❑ National Credit Amendment Act, the Bill was assented to by the President as an Act of Parliament. Task team formed comprises of the dti, National Consumer Tribunal (NCT) and National Credit Regulator (NCR);
- ❑ Draft implementation plan was drafted and presented to Portfolio committee on Trade and industry in September 2019 for endorsement and Socio Economic Impact Assessment System (SEIAS) report noting; and
- ❑ National Gambling Amendment Bill is with the National Council of Provinces (NCOP) and briefing memorandum was prepared for Minister's noting. The Bill is amongst others providing for a restructuring of the National Gambling Board to become a National Gambling Regulator.
- ❑ The other key amendment is about the National Gambling Policy Council quorum to make decisions in the second meeting with members present if in the first meeting there was no quorum. The Bill in the Select Committee is a reduced Bill. The department was requested to produce a separate draft of the portion of the Bill that was reduced by the Portfolio Committee; and
- ❑ The portion of the Bill must be tabled at Cabinet for approval to publish for broader public consultation at Department level. Engagement was held with stakeholders who made inputs on the amendment to Regulations 2 and 8 (4).

OVERVIEW OF THE 5-YEAR SPENDING

Spending for the 2019/20 financial year should be read within the context of the global pandemic of the coronavirus, which had an adverse impact on most of the department's activities. As depicted in the graph above, there has been consistency in the spending pattern of the department against its budgetary allocation over the past five years, where the under-spending has been below 2% of the allocated budget for each specific year.

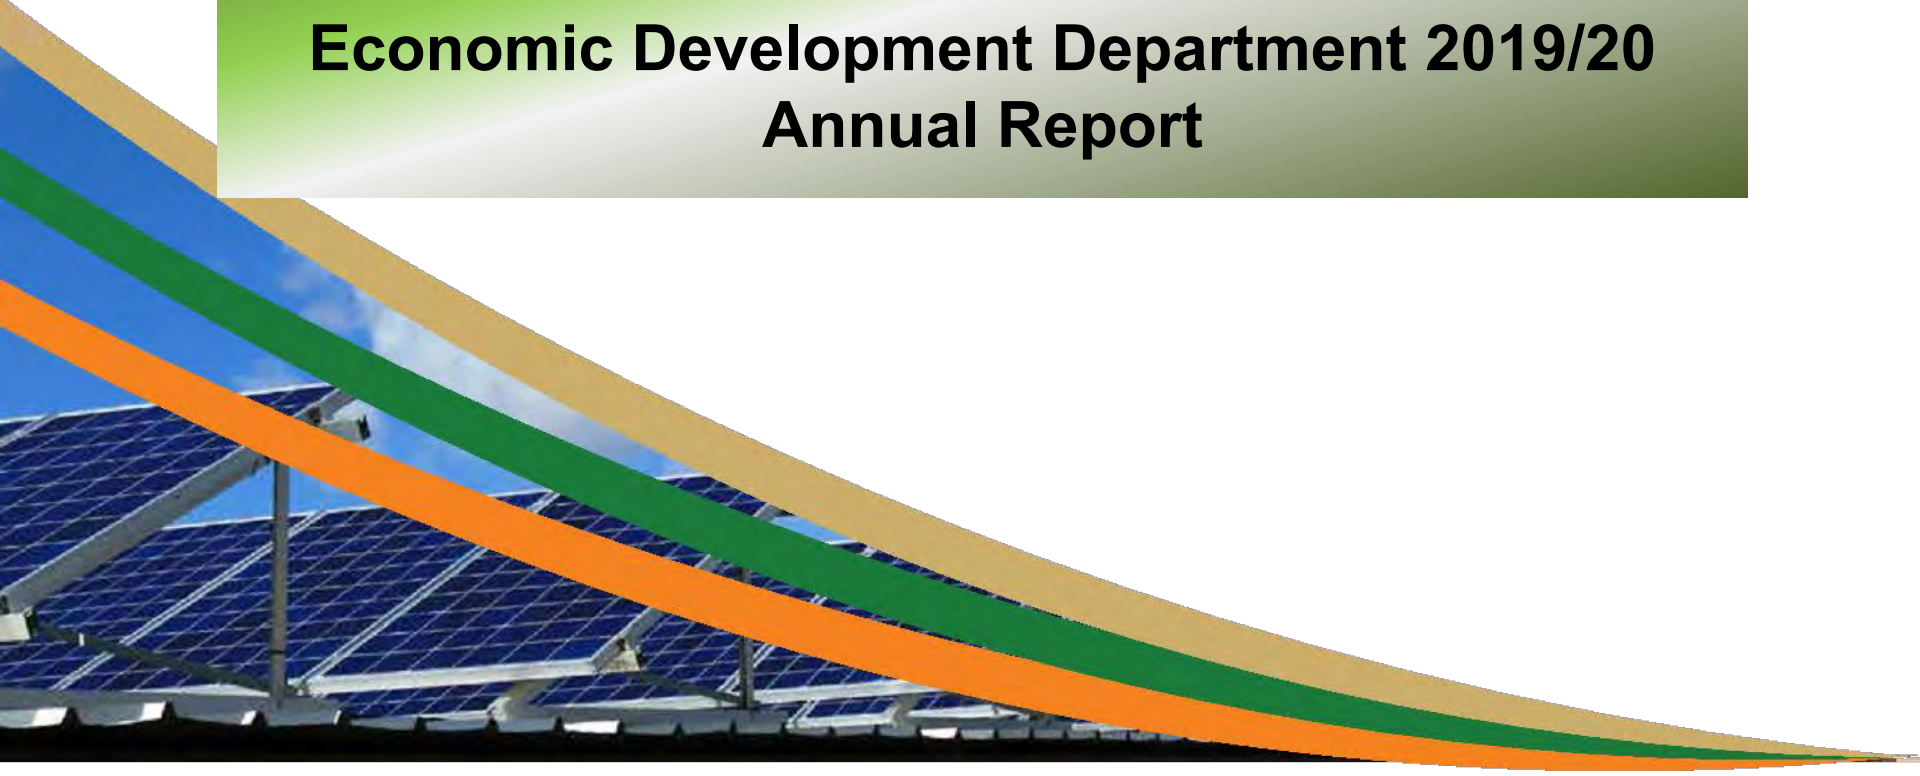

2019-20 AUDIT REPORT

the dti achieved a financially **unqualified opinion with no findings**, commonly known as a “**clean audit**” opinion. This means that the Department's 2019/2020 financial statements were free from material misstatements and there were no material findings reported on performance objectives or non-compliance with legislation.

REPORT ON KPIs

Unblocking sale of Highveld Structural Steel Mill

- Parties could not agree during negotiations, threatening the extended bloom supply agreement as well – 220 jobs at risk and resumption of imports of structural steel.
- Minister successfully acted as Arbitrator during April 2019 between parties involved in sale of Highveld Structural Steel Mill – leading to deal and saving the 220 jobs.

The Department unlocked the water supply challenges for Goldi Chickens in Lekwa Municipality

- EDD received a complaint from Goldi that water supply to their chicken processing plant was discontinued by the Lekwa Municipality which will result in serious environmental, financial and labour problems.
- After EDD held a meetings with stakeholders, and arranged the following:-
 - Municipality agreed to provide some of the required water
 - Water Affairs agreed that Goldi could extract water directly from the Vaal River, until such time that the municipal infrastructure is fully operational
 - MISA, COGTA and PICC are in discussion with the municipality to refurbishment of the water treatment plant
- EDD's intervention resulted in production resuming at the chicken processing plant and around 3 200 workers taken out of short-time.

26 July 2019: Minister of Communications issued Policy on high demand spectrum and policy direction on the Licensing of a wireless open access network

Data Market Inquiry

- The provisional **Data Market Inquiry** was released on the **24th April 2019**. The **Final Report** was released during **December 2019**.
- The inquiry was set up as a result of persistent concerns expressed by the public about the high level of data prices and the importance of data affordability for the South African economy and consumers.
- The purpose of the Inquiry is to understand what drives the cost of data.
- The EDD collaborated with DTPS in terms of providing funding for the inquiry as well as discussing the implications of the provisional recommendations.

Grocery Retail Market

- The Provisional report was released on the **29th May 2019**. The **Final Report** was released during **November 2019**.
- The purpose is to remove hindrances to SMEs and historically disadvantaged firms participation. The Inquiry also determine the impact of the expansion, diversification and consolidation of national supermarket chains on small and independent retailers in townships, peri-urban areas and rural areas and the informal economy.
- The EDD held a discussion of the draft recommendations with National Treasury in terms of their Townships and Villages programme in the Eastern Cape.

30 September 2019: Healthcare Market Inquiry Final Report issued

- The Competition Amendment Act, No. 18 of 2018 was published in Government Notice No. 42231 of 14 February 2019
- Following completion of work by an independent panel into the state of readiness of the Competition Commission to implement the Amendment Act, EDD recommended its promulgation
- On 6 July 2019, the President promulgated certain sections of the Act to commence its implementation
- The Department prepared its presentation to the Portfolio Committee on the context and content of the Amendments

- The **Inter-Agency Working Group on Illicit Trade** includes officials from the dtic and SARS, working with various agencies such as the National Joint Operational and intelligence Structure (NATJOINTS) and the South African Diamond and Precious Metals Regulator (SADPMR), to achieve the following:
 - ✓ Develop and Implement the Inter-Agency Strategy towards addressing Illicit Trade
 - ✓ Develop and roll-out the Action Plan with short, medium and long term actions for the Working Group, including:
 - High Impact Operations – e.g., Raid in Dragon City Mall, Fordsburg, Jhb on 11 Sept 2019 where 184 personnel from various agencies were involved – leading to detentions and seizures of items.
 - Conduct Policy Review involving key stakeholders – labour and business and includes supporting implementation of Export Tax on scrap metal.
 - Enhance international relations with regard to illicit trade
- The Ministers of Trade and Industry and of Finance identified CTFL*, scrap metal and gold as short-term focus areas

Budget Facility for Infrastructure Bid Window 3

- As directed by Cabinet, NT is working jointly with the Presidential Infrastructure Coordinating Commission (PICC) secretariat, DPME and EDD to establish the BFI
- Aim of BFI is to support quality public investments through robust project appraisal, effective project development and execution to ensure
 - sustainable financing arrangements beyond the MTEF
- Joint Technical Committee (JTC) is a multi- stakeholder committee comprising of senior officials from NT, PICC, and DPME
 - manages detailed technical assessment process and makes recommendations to budget authorities (MTEC) and political decision makers (MINCOMBUD)
- Window 3 between March and May 2019

The BFI helps address:

- 1. Weaknesses in planning and project identification**
- 2. No formalised authorisation environment**
- 3. Incomplete and poor quality Project Preparation processes**

Report on the promulgation of Government Notices regarding the COVID-19 pandemic

- DTIC Minister, in consultation with the Competition and Trade Authorities, and the Minister the following government notices were published:
 - Consumer and Customer Protection and National Disaster Management Regulations and Directions
 - Enables the joint work on Price Gouging between the CC and the NCC
 - COVID-19 Block Exemption for the Healthcare Sector, 2020
 - COVID-19 Block Exemption for the banking sector, 2020
 - COVID-19 Block Exemption for the retail property sector, 2020
 - COVID-19 Block exemption for the hotel industry, 2020
 - COVID-19 Export Control Regulation Government Notices

Impact: Implementation of the regulations and directions protected consumers from excessive, unfair, unreasonable or unjust pricing of goods and services and maintained security and availability of the supply of goods and services during the national state of disaster

- Minister published Government Notice on 24 May 2019 which extended the PPS until 31 March 2020
 - This was to allow for the finalisation of a proposed export tax on ferrous and non-ferrous waste and scrap metal
- “...proposed export taxes will apply to ferrous metals at the rate of R1 000 per tonne, aluminium at R3 000 per tonne, red metals at R8 426 per tonne, and other waste and scrap metals at R1 000 per tonne...Consultation will begin today (26 Feb 2020), to be concluded by the end of May 2020, for consideration in the annual tax bills.” (Minister of Finance: Budget Review 2020, National Treasury, 26 Feb 2020, p43) – Annual Taxation Laws Amendment Bill (TLAB)
 - It became necessary to further extend the policy directive on the PPS for another nine months until 31 December 2020, to allow the Technical Team to complete its work on a proposed export tax on ferrous and non-ferrous waste and scrap metal
- Public comments were sought via Government Notice No. 43058 dated 28 February 2020, on whether the Minister should grant an extension or not
 - Public comments received, were mostly in favour of an extension
 - On 20 March 2020, in Government Notice No. 43123, the Minister extended the PPS for a further period of nine months until 31 December 2020

- In February 2019, President Ramaphosa signed the Competition Amendment Act, 2018 (Act No. 18 of 2018) and in July 2019 the Minister promulgated certain sections of the Competition Amendment Act, 2018
- Amendments seek to address persistent concentration and promote greater participation in the economy by SMMEs and companies owned by historically disadvantaged persons (HDP companies)
- Competition Amendment Act required that regulations be established on the definitions of small business and medium-sized business; buyer power; and price discrimination
- Purpose of these regulations is to:
 - provide for the benchmarks for determining the application of section 9(1)(a)(ii) to firms owned and controlled by historically disadvantaged persons; and
 - to set out the relevant factors and benchmarks for determining whether a dominant firm's action is price discrimination that impedes the participation of small and medium businesses and firms controlled or owned by historically disadvantaged persons
- The Minister published the final Buyer Power Regulations and the Price Discrimination Regulations in Government Gazette Notice No. 43018 dated 13 February 2020

Report on Social Economy Green Paper Project

- Background:
 - MoU signed between Government of South Africa, Government of Flanders and the ILO in 2017
 - SE Policy Draft Green Paper was launched by Minister Patel in February 2019
 - Consultation on the Green Paper took place between nationally between 27-28 February 2019 and provincially between August 2019 and November 2019 with over 1000 people consulted
 - Consultation sessions also involved provincial consultations as well as various stakeholders such in the legal and academic environments
- Status:
 - No-cost extension granted in February 2020 – project now to end March 2021
 - Upcoming key work: Implementation Plans, White Paper finalization
 - Process led by Deputy Minister Nomalungelo Gina: prior to the lockdown, the Free State and Northern Cape provincial administrations had been consulted,
 - post-COVID lockdown, North West and KZN were consulted virtually

Simba (Pty) Ltd and Pioneer Food Group Limited (PepsiCo/Pioneer Group) merger

- 10 September 2019: merger notice to the Minister dated.
- 12 September 2019: EDD filed a Notice of Intention to Participate merger
- Primary acquiring firm: Simba (Pty) Ltd ("Simba"), an indirect subsidiary of PepsiCo Inc
- Primary target firm: Pioneer Food Group Limited ("Pioneer Foods"). Post-merger, Pepsico will exercise sole control over the Pioneer Group.
- Merger approved with conditions
 - **B-BBEE:** PepsiCo's common stock to the value of R1.6 billion to be issued to a South African, broad-based workers' trust. Stock in PepsiCo must, after 5 years, be converted into a direct shareholding in Pioneer of up to 13%
 - **Employment:** No merger-related retrenchments for a period of 5 years
 - **Location of Head Office And Tax Residency:** Merged company shall remain incorporated in South Africa and will remain a tax resident in South Africa
 - **Production:** Aggregate productive capacity and capabilities associated with production operations and related facilities in South Africa shall be kept in place. PepsiCo commits to expand the operations of the merged firm in South Africa over a 5-year period to the value of R1 billion
 - **Local supply chains:** Merging parties commit to expand the Pioneer Foods practice of maximising local production
 - **Downstream agreements:** Merged company shall maintain all sale and distribution agreements with companies controlled by historically disadvantaged persons and SMMEs for a period of 2 years
- **Development Fund:** R600 million for investment in : education, SMMEs, enterprise and agricultural development
 - R300 million will be invested in developing the capacity of emerging farmers and expanding emerging farmer participation in the supply chain of the merged company
 - R200 million in education which shall include funding scholarships for historically disadvantaged engineering, agronomy and nutrition science students
 - R100 million in SA entrepreneurs as part of an incubator fund

REPORT ON FINANCIALS

Financial Performance: Overview

For the year under review the department spent 98% (i.e. under spending of 2%) and achieved a 3rd consecutive Clean Audit.

Audit Outcome

- The department obtained a **CLEAN AUDIT** opinion
(Unqualified audit opinion with no findings)
- This demonstrates the efforts that were put in place by management to ensure that the internal control system remained effective and was further enhanced in certain instances.
- All the assurance providers have demonstrated the high level of commitment in discharging their responsibilities.

Financial Performance: Per Programme

Programmes	2019/20				2018/19
